The screenshot shows the Hold'em Manager software interface. The main window displays a poker hand in progress with a table layout. The dealer hand is 1744758320. The pot is \$4.50. The hand is being dealt by phcsr. The hand is kook2k's 15th second left to act. The interface includes a 'SINGLE CLICK DEPOSIT' button, a 'LAYOUT' button, and an 'OPTIONS' button. The 'OPTIONS' button is highlighted with a yellow callout box. The callout box contains the following text:

Table Averages
42/19 = VPIP/Preflop Raise Averages
\$7.16 = Pot Size Averages For Table
3 Screen Names with \$ = Last three pots played at the table. Click any Screen Name to quickly view a Hand History file.
